THANKS TO GE, FORKBALL, SLIDER, SUICIDE SQUEEZE AND RHUBARB ARE GOING TO BE PART OF THE OLYMPIC VOCABULARY.

This summer, a handful of young men will be representing the United States in a most unusual Olympic sport.

Baseball.

But, despite the fact that baseball is an American invention, the contest won't be a walkover.

They'll be facing the pick of teams from countries as far apart as Italy. And South Korea.

Will our team win?

We don't know. But at the General Electric Major Appliance Business Group, we're doing all we can to help them.

We're sponsoring this fine group of young men because we feel they believe in the same idea we do. That a lot more can be accomplished when people work *together* to achieve a common goal.

They may end up with the Gold Medal.

Or they may not.

But, from having spent some time with them, we do know one thing they'll do.

They'll be a credit to our country.

WE BRING GOOD THINGS TO LIFE.

GE IS A TRADEMARK OF THE GENERAL ELECTRIC CO.

The lower lefthand corner of the scoring block should be considered as home plate. Progress is counter-clockwise with progress to first base indicated in lower righthand corner, to second in upper righthand corner, to third in upper lefthand corner and to home in lower left. In example to left, batter reached first on an error by the second baseman, stole second, went to third on a wild pitch and scored on a passed ball. It is convenient to encircle all runs as shown so that scoring plays may be seen at a glance.

Children thousands of miles apart have brought us together.

"Mike and I are in two very different professions. But there's one important part of our lives we're both committed to. We're sponsors through Christian Children's Fund.

"One of my sponsored children is Damiano in

Africa; Mike sponsors Marta in Central America. And although they live continents apart, their daily existences have been distressingly similar.

"Without our help, neither child could have gone to school. Or enjoyed a nutritious meal. Or even received basic medical care.

"Sponsorship is just $18 a month—only 60¢ a day—but in Third World countries those few dollars can improve a young life tremendously. The need for

more sponsors is urgent—and your love is the key that can help unlock the door of hope for a lovely child.

The game has evolved from the gifted all around athlete, to the gifted athletic specialist. Relief pitchers, base runners and designated hitters have replaced the Ty Cobbs, Cy Youngs and Babe Ruths.

Our game has changed too.

Banking has become personal financial management. It too has become an arena for the specialist. Even simple checking has options.

Today a financial institution has to offer you more than just a convenient location on the corner. It must have the products and services to keep you competitive.

More important, it must have the specialists who can help you understand and decide on the financial options that are right for you... in investing as well as traditional functions.

At The Provident we're prepared to help, with the people, the products and the knowledge to make and keep you competitive in today's financial ballgame.

FITNESS CENTER

Jumping to conclusions.

For a long time, that was about as much exercise as most of us got.

Not anymore.

Last year, almost 60 million Americans exercised their option to exercise.

And the food that fueled more than a few of those moving parts was Campbell's Soup.

You see, not many foods offer as much good nutrition as most Campbell's Soups.

Take Campbell's vegetable soups. They're all a rich source of vitamin A. And one healthy serving of Campbell's Chicken Noodle Soup supplies more thiamin and niacin per calorie than whole wheat bread.

Of course, soup not only makes you feel good, it helps you look good. In fact, a number of recent analyses suggest that people who consume soup, take in fewer calories than those who don't.

In short, Campbell's Soup fits right into a serious fitness program.

After all, if you're trying to stay in shape, you're probably giving a lot of yourself.

Well, Campbell's Soup gives a lot of it back.

THE TRADITION

Phillies baseball is the most complete sports entertainment package in the area.

Winning ways and championships have become a tradition. Six out of the last eight seasons, the Phillies have reached post-season play.

They have won more games and division titles than any other club in the National League the last eight years. Only the Phillies and Baltimore Orioles have made two visits to the World Series in the last four years.

Away from the playing end, the Phillies also rank among baseball's elite in the promotion-marketing area.

This year's schedule is again filled with promotions, 26 different special dates listed with more to be added as the season progresses. There are gift days for everyone . . . boys, girls, men and women.

It's hard to believe that there was Phillies baseball once upon a time without Phillie Phanatic. Now, he's part of every game and baseball's most entertaining, lovable mascot.

Then, to continue the tradition of providing the fans with the best of everything, Phanavision made its' debut last season.

The Phillies weren't the first club to have the new instant replay, color boards but as Bill Giles promised, the fans here were going to get the biggest and brightest board in this country.

It all adds up to an entertainment package which includes something for every member of the family.

The Road Runners

Von Hayes

Juan Samuel

Juan Samuel and Von Hayes, a pair of young stars, have become the Phillies greatest one-two punch in stolen bases in club history.

Earlier in the season, they became the first two Phillies to steal 30 bases in a year since 1912 when George Paskert (36) and Sherry Magee (30), a pair of outfielders, did the trick.

Then, Samuel-Hayes reached the 40 level for each. It was another first in Phillies history. Now, they've topped the 100 mark between them, yet another Phillies record.

The National League high for steals by two players on the same team is 160 accumulated by Ron LeFlore and Rodney Scott with the 1980 Montreal Expos. LeFlore stole 97 and Scott 63.

The list of 100 stolen base "teams":

100	1972	Cincinnati	Joe Morgan (58), Bobby Tolan (42)
	1975	Cincinnati	Joe Morgan (67), Dave Concepcion (33)
	1982	Pittsburgh	Omar Moreno (60), Lee Lacy (40)
101	1981	Montreal	Tim Raines (71), Rodney Scott (30)
102	1980	Cincinnati	Dave Collins (79), Ken Griffey (23)
105	1977	Houston	Cesar Cedeno (61), Jose Cruz (44)
115	1983	Montreal	Tim Raines (90), Andre Dawson (25)
117	1978	Pittsburgh	Omar Moreno (71), Frank Taveras (46)
	1982	Montreal	Tim Raines (78), Andre Dawson (39)

A Record Falls

Seventy-eight years ago Sherry Magee stole 55 bases to set a Phillies record which was broken this August by Juan Samuel.

SHERWOOD (SHERRY) MAGEE
Outfielder . . . B-R, T-R . . . 5-11, 179.

PERSONAL: Born—Clarendon, Pa., Aug. 6, 1884 . . . Died in Philadelphia (1152 N. 65th St.) on Mar. 13, 1929, after a one-week bout with pneumonia.

HOW OBTAINED: Magee played semi-pro baseball in Allentown and Carlisle in 1903. He was signed to a minor league contract with Little Rock in 1904 but refused to report. Later that season, he signed with the Phillies.

PHILLIES CAREER: Played for Phillies from 1904-14, hitting .299 with them, stealing 387 bases (most for career, modern times) . . . Best season: 1910, when he led NL in hitting (.331), RBI (123) and slugging (.507) . . . Never led NL in steals; when he set club record in 1906, Frank Chance of Chicago led the league with 57 . . . Team captain in 1913 . . . Fined $200 and suspended for rest of season, July 10, 1911, for punching an umpire. Magee and Phillies appealed and suspension was lifted on

Aug. 16 . . . Traded to Boston for George Whitted (of) and Oscar Dugey (inf) before 1915 season . . . Finished career with Cincinnati in 1919, appearing as pinch hitter twice in the World Series.

UMPIRING: Was a minor league umpire in 1927 and in the NL in 1928.

OLD NEWSPAPER CLIPS: In some old newspaper clips supplied by the Hall of Fame, he was described as "colorful", "splendid natural batsman, fine base-runner and smart strategist", "controversial", "crabbing with his teammates, particular first-year players, and umpires", the "type who would chew out his team players for making bad plays" . . . Off the field, the *Philadelphia Times* described him: "He is as gentle and good natured as an old woman." . . . Never once in any of the 15 clips was there any reference to his stolen bases and Phillies record.

BILLY HAMILTON: (Sliding Billy) is credited with having the most steals in a season by a Phillies player when in 1891 he stole 115 (by one account) and 111 (by another source). However, the stolen base rules were different then. Back then, a stolen base was credited to the runner for each base advanced by his own volition (i.e., if the runner advances to third from first on a single, he is credited with a steal). In 1898, the old rule was tossed out and the present day rule, with a few minor changes, was installed.

Phillies Dream Week—1985

Your Spring Training Week

Either Jan. 27 to Feb. 3 or Feb. 3 to Feb. 10, 1985.

You'll get your chance to make the "team," wear your own Phillies uniform, sit in the dugout and practice with the pros every day for a week at Carpenter Field, Clearwater, Florida, the winter home of the Phillies. Two separate one week programs are scheduled.

You won't be watching. You'll be working out and training.

You'll be coached by the pros, participate in drills, be involved in practice sessions and take your place in the spring training lineup along with the other "rookies."

The Big Game.

At the end of your Dream Week, you'll play in a major league "professional" Dream Game at Jack Russell Stadium. You'll go against some of the legendary "Whiz Kids" such as Richie Ashburn, Chris Short, Tony Taylor and others. There will be lights, cameras, umpires and lots of action. And you'll receive your own video cassette of the big event.

Who can go?

Anyone can go, but lifelong Phillies fans are especially welcome. You must be 35 years of age or older and in good health.

Work out at Carpenter Complex, the Winter Home of the Phillies.

Your "Spring Training Dream Week" includes:

- Round trip airfare from Philadelphia to Tampa, Florida.
- Transportation from airport to hotel on Phillies team bus.
- Hotel accommodations—8 days/7 nights at the Quality Inn, Clearwater, Florida (the official hotel of the Phillies), two to a room, just like the big leaguers.
- Transportation each day to Carpenter Complex for your spring training sessions.
- Lunch every day in the Clubhouse.
- Practice every day with some of your former Phillies' heroes.
- Special coaching by the pros in hitting, pitching, fielding and other game fundamentals.
- Your own Clubhouse locker.
- Intra-squad games.
- Your authentic Phillies uniform.
- All playing equipment (you bring your own glove, spikes, socks and jocks).
- Your own prized video copy of the big game at Jack Russell Stadium.
- Your own set of major league baseball cards, with your photo and stats.
- Awards dinner banquet.

For Information: call Phillies Community Relations (215) 463-6000.

"4X4 OF THE YEAR"

FIVE STATE AMC JEEP RENAULT DEALERS

FIVE STATE AMC JEEP RENAULT DEALERS

For the first time ever, all three leading off-road magazines made the same choice. Jeep.®

If you're thinking about 4-wheel drive, consider this. The all-new leaner, meaner size Jeep Cherokee has just been named "4x4 of the Year" by all three leading off-road magazines: 4 Wheel & Off-Road, Four Wheeler, and Off-Road. That's never been done before.

Ride and drive is what it's all about.

The all-new Cherokee was compared to the toughest competitors available, foreign and domestic. They were driven thousands of miles through snow, soft sand, subfreezing temperatures, and high winds—on and off the road.

4 Wheel & Off-Road said: "Cherokee scored well across the board, excelling in our evaluations of mechanical, urban and off-road driving and interior comfort." Four Wheeler called the Cherokee Sportwagon: "the year's most significant advance in 4-wheeling." Off-Road said: "Jeep is a smaller, more maneuverable off-road vehicle that provides plenty of room."

Test drive it and compare for yourself.

Compared to Bronco II and S-10 Blazer 4x4, only Cherokee has four doors, room for five, and a choice of two 4-wheel drive systems. And Cherokee has higher ground clearance, higher horsepower per pound, and the highest gas mileage, (24) EPA EST MPG/ 33 EST HWY.*

It's nice to be named No. 1, but not unexpected. After all, Jeep wrote the book on 4-wheel drive. Buy or lease the triple award winning Cherokee, or the luxurious new Wagoneer Sportwagons. Only at your Jeep dealer.

*Use these figures for comparison. Your results may differ due to driving speed, weather conditions and trip length. Actual highway mileage and California figures will probably be less.
